

Enterprise Wi-Fi Networks Survey

TechHub PS, excels at delivering high-performing wireless network solutions. Whether you're designing a new network, optimizing an existing one, or troubleshooting issues, our expertise with Ekahau Site Surveys will help deployments are accurate and optimized

Wi-Fi Planning - Predictive Survey

Figure out where to place the APs, and how to configure them.

Wi-Fi Planning - Predictive Survey	Area Size Sq.ft	Office Area	Warehouse / Plant
Coverage Prediction, Capacity Planning, Interference Modeling, Optimal AP Placement, RF Environment Simulation, Signal Quality and SNR Prediction	Zero to 10,000	USD \$3260.00	USD \$2500.00
	10,000 to 100,000	USD \$4950.00	USD \$3670.00
	100,000 to 200,000	USD \$6240.00	USD \$4350.00
	200,000 to 300,000	USD \$8560.00	USD \$5260.00
	300,000 to 500,000	USD \$9280.00	USD \$6800.00

5965 Village Way, Suite E105 Box 127,
San Diego, CA 92130

Pre-Deployment Site Survey

Use one or a multiple of APs to make real-world signal measurements decisions prior to purchasing all infrastructure.

Pre-Deployment Site Survey	Area Size Sq.ft	Office Area	Warehouse / Plant
Realistic AP Placement Simulation, Signal Strength and Coverage Assessment, Channel Interference Analysis, Data Rate Testing, Optimal AP Placement, Physical Obstacle Analysis	Zero to 10,000	USD \$3960.00	USD \$3150.00
	10,000 to 100,000	USD \$5750.00	USD \$5250.00
	100,000 to 200,000	USD \$7850.00	USD \$7260.00
	200,000 to 300,000	USD \$9520.00	USD \$8800.00
	300,000 to 500,000	USD \$10200.00	USD \$9250.00

Post-Deployment Survey

Verify coverage, connectivity and capacity with a single walk-through the site – after your Wi-Fi has been deployed.

Post-Deployment Survey	Area Size Sq.ft	Office Area	Warehouse / Plant
Verification of AP Placement, Signal Strength and Coverage Validation, Channel Interference Analysis, Noise and SNR Measurements, Capacity Testing, Roaming and Handoff Testing	Zero to 10,000	USD \$3260.00	USD \$2500.00
	10,000 to 100,000	USD \$4950.00	USD \$3670.00
	100,000 to 200,000	USD \$6240.00	USD \$4350.00
	200,000 to 300,000	USD \$8560.00	USD \$5260.00
	300,000 to 500,000	USD \$9280.00	USD \$6800.00

Following are the terms discussed for our project requirements:

- A. Extra charges may occur for any kind of additional support other than the discussed scope on T&M basis.
- B. Rates may vary once we receive proper site address, Floor Plans etc.
- C. Additional charges would be applied for remote locations (Travel Expense)

Purchase Order:

The PO is to be issued in the name of
